

PRO QUIP WATER CANS & CONTAINERS

WATER CONTAINERS

FEATURES

- **All cans** in the Pro Quip range comply with Australian Standard AS2906:2001.
- **The space saving** design of the plastic water can is very functional and it fits standard RV racks. The embossed pattern provides a slip resistant surface.
- **Pro Quip** Plastic Fuel and Water containers are Australian made from Food-Grade HDPE, and use the same spare parts which are available in retail display packaging.
