

CINCHTITE TARP PRODUCTS

FEATURES

- **Cinchtite Tarp Clips** and Tarp Grip Ties provide a quick, convenient and strong method of additional tie down spots for tarps. The unique design is effective & very simple to use. Put a tie down in the exact place you require.
- **Cinchtite Tarp Patches**, Grommet Tabs, and Zipper Doors are quick, convenient and strong, providing a fast and professional repair for common blue woven tarps at a minimal cost. This makes an ideal camping accessory.
- **Cinchtite Rope Cinch** is a self locking Tie-down & Hoist for ropes up to 9.5mm, and can hold up to 65kg or 150lbs. The Jam Cleat secures ropes instantly without complicated knots, releases tight ropes with a simple tug, and easily secures ropes under tension without adding slack.
