

'WHEN SPACE MATTERS'

INTRODUCING THE NEW 15L SIZE OF PRO QUIP PLASTIC FUEL CANS

SMALLER CAN PACKED WITH BENEFITS

- Complies with single-person lift recommendations less than 16kg when filled to nominal capacity
- Fits existing 20L Jerry Can holders
- Easier to lift, pour and store than 20L cans
- Internally stored pourer so it's always handy
- Suitable for all pump fuels
- Certified to Australian Standard AS2906:2001
- High quality UV Stabilised HDPE construction

'EASIER TO LIFT,
POUR AND STORE'

Diesel Part 1007
Unleaded Part 1006
